

2020 Aurora & Hazard Libraries and SCCS Summer Reading Log

Got Book? There are about 70 days of Summer Reading Time. **Each square box below represents a day.** Use check marks to record your daily reading. **Each check will be counted as 15 minutes of reading.** You can just check off that you read that day and we'll count it as 15 minutes or you can put in multiple check marks if you want to show exactly how long you read. (eg 4 check marks = 1 hour)

Please Don't Forget: Bring this log to school in the first week back for a special treat!
