Reopening Updates for Local Schools

Wells College begins classes August 31. Some classes will be online, others virtual, and some will be hybrid. Students are back on campus, all students have been tested, and as of Friday, August 28, there have been no active positive test results. We are in awe of the amazing work the faculty, staff, and administration have done to open the college in a safe way, may all students continue to be responsible to each other and the larger community!

Southern Cayuga Schools begin the fall semester on September 8. The students will be divided into two groups; each group will attend class on alternate days and will be working virtually on their at home days. The elementary students will be with their cohort all day with COVID protocols in place. Some students have chosen to attend virtually. We are so thankful to all the hard working cafeteria workers, custodians, teachers, administrators, bus drivers, teacher assistants, and all those who have worked so hard over the unprecedented spring and summer to ensure that our children can still receive their education! More information is available here:

Wells Alumna Making Masks!

Wells alumna Laurel Roe Morris '82 has been selling sets of masks (2) for \$20 and donating \$15 of each purchase to Wells College. So far, she has raised over \$1800 for Wells through her mask orders! She is now making masks for all the new students who are coming to Wells early and will be in self-quarantine for two weeks. Wells is providing masks, but these are extras to welcome the students and in class colors to show that the alumnae/ni care about them. If anyone would like to make a donation to support the shipping/supply cost, it would be greatly appreciated.

Likewise, if anyone would like to purchase a set with the proceeds to go Wells College's Annual Fund, they are in sets of purple/yellow, blue/green, or red prints. Laurel can take payment by check, Paypal, or Venmo and can be reached at canarysinger@gmail.com. This is a great way to support our new students who are coming to Aurora in our efforts to keep everyone safe.

Community Food Resource

There is no reason for anyone in our community to struggle with putting enough food on the table. If you need food assistance, come to the King Ferry Food Pantry. We are conveniently located at Southern Cayuga High School in the Agriculture Wing. The pantry offers a drive-thru service on first and third Saturdays of each month from 9 a.m.–12 noon, no appointment necessary. You have the opportunity to choose the foods your family wants and needs by filling out an order form in your car. Volunteers will pack your order and bring it outside for you to pick up. A listing of foods which are typically available can be found at [facebook.com/KingFerryFoodPantry](https://www.facebook.com/KingFerryFoodPantry). For more information contact Debbie at 315-497-2049.

2020 SOUTHERN CAYUGA Community Read

The Hate U Give

by Angie Thomas

Each year, the Southern Cayuga Community Read brings neighbors and friends together to discuss a book that has local relevance while exploring timeless themes related to justice, freedom, and equity. This year, following the lead of the SCCS honors English students, we will be reading *The Hate U Give*, by Angie Thomas.

Due to COVID-19, the 2020 Community Read will consist of small discussion groups, not a central meeting at the school. We will be breaking up into groups of five participants and one moderator (either in-person or via Zoom) to share, reflect and discuss the book and how it relates to racial injustices we see or feel in our own community. We will follow COVID-19 safety protocols using masks, social distancing and are asking participants to bring any beverages they require.

2018 Coretta Scott King
Book Award

We will meet during the week of October 5th, 2020.

Times and locations will be determined once groups have been formed.

GROUPS WILL BE FORMED IN ONE OF TWO WAYS:

Existing Groups: Friends, neighbors, coworkers who would like to form a community read group. We will provide a moderator and meeting area or zoom link.

Individuals: We will create small groups based on your meeting preference (either in-person or via zoom) indicated when you register.

Complimentary copies of the book are available at the Aurora Free Library and the Hazard Library.

REGISTRATION INFO:

If you are interested in participating in a discussion group please fill out a form at either library, [online here](#), or call or email Elaine Meyers at 315-364-8986 or elaine.meyers4@gmail.com by Sept. 18th.

2020 Southern Cayuga Scholarship Foundation Awards

The Southern Cayuga Scholarship Foundation Board of Directors is pleased to announce its scholarship awardees for 2020, which marks the 30th year the Foundation has made financial awards to Southern Cayuga Central School district students. Over the past three decades, the Foundation has made 310 awards to 201 individual students, totaling over \$275,000 in financial support awarded to our students and district graduates. Every dollar of Foundation scholarship awards was raised by generous members of this community who believe in the value of continuing education for our district's youth.

21 SCSF award applications were received this year from SCCS seniors and district graduates pursuing college or other continuing education. The applicant pool was very strong and with the costs of higher education, we know that the financial need in our community remains great. Our community's generous Phonathon donations this year allowed the Foundation to make twelve \$1,000 awards to SCCS seniors and to district graduates pursuing undergraduate degrees.

Southern Cayuga Scholarship Foundation award applicants are evaluated on their academic record, their demonstration of community service and commitment to work, as well as their thoughtful completion of an essay. The George Peter Service Award is made in memory of a founding Scholarship Foundation board member whose legacy was a lifetime of dedicated and selfless service to others, and countless contributions of time, energy, expertise, and enthusiasm to many organizations. A student awarded the George Peter Service Award has demonstrated his or her own commitment to service to their school and to the wider community.

The Southern Cayuga Scholarship Foundation Board of Directors announces this year's award recipients:

High School seniors:

Kaley Driscoll (George Peter Service Award)
Madeleine Hamel
Abigail Johnson
Kelsey LaFave
Victoria Majka
Jacob Schmitt

SCCS graduates pursuing continuing education (an asterisk following an awardee's name reflects a repeat award winner, with the number of asterisks reflecting the number of past SCSF awards received):

Amber Black *
Jonathan Groth
Catherine Kopp *
Shannon O'Neil ***
Hannah Roman **
Gavin VanHorn *

Our annual Phonathon in February is our most significant source of funding for scholarship awards, with all funds raised awarded locally. Our volunteer student operators for this year's Phonathon included Axel Acosta, Brianna Gentile, Emma VanAmburgh, Isis Binns, Sam Kniffin, Samantha Halverson, Sarah Robin, Zack Latin, Jon Heath, and Jared Howe. Due to the faithful and generous support of our community, this year's Phonathon exceeded our \$12,000 fundraising goal, enabling us to make the awards listed above.

The SCSF Board has steadily worked to achieve the vision to create an endowment sufficient to enable us to make additional scholarship awards from earned income and be less dependent upon annual fundraising efforts. We have been fortunate over the years to receive bequests and direct gifts to the Southern Cayuga Scholarship Foundation that allowed us to begin to build this endowment base. If you wish to help further cement our financial endowment

foundation with your tax-deductible donations, please make your gift securely online at:

<https://cnycf.org/southern cayuga#.Xyg-7p5KiUk>.

The Southern Cayuga Scholarship Foundation is always seeking new board members. If you are interested, please contact Nominating Committee chair Marian Brown (mbrown@wells.edu) for more information.

The Bible is not a book. It is a collection of ancient writings from dozens of different people written over more than 1,000 years. Are these books reliable as history? Do they send a clear and consistent message? And why are these 66 books still considered special and authoritative thousands of years later?

Programming will be outside, weather permitting, and masks necessary. If we need to go indoors, space will be limited so it is recommended to let Barb Blom know that you will be attending, 607-342-6281.
