With sadness, we announce that the Book Lovers Ball will not be in person this year. With Covid cases rising so quickly and out of caution and concern for the safety of our supporters, we will move the silent auction online.

I hope you can help us by considering donating to our silent auction. This has proven to be a very successful means to raise additional funds for our library. Your donation is fully tax deductible.

By donating an item, a gift certificate, or a service, you can directly help our ongoing efforts to preserve the integrity of the library and its many community programs. Please complete this form, and I will plan to pick up your donation(s) during the week of August 26th. If you would prefer to receive this electronically, let me know and I'll send one immediately!

You can reach me at: Robin Driskel (518) 339-0541, UKRAD@aol.com
