E-Book and Digital Audiobook App How-To

Aurora Free Library, through Finger Lakes Library System, offers two apps to borrow e-books and digital audiobooks. Read with your smart phone and other devices including tablets and Kindles. You can even download the book and read offline. Listen in your car!!

Want to learn how it works and the ins and outs of the app? Want someone to get you through the basics?

See Nicole! Either for a quick how-to or set up a time to meet in person or ZOOM.
