# Plant Sale

## Calling All Plant Lovers!

The Aurora Free Library WILL be holding its annual plant sale this year on Saturday, May 7 (the day before Mother's Day). We have just learned that there is an invasive form of worms which are now in the village which eat the roots of plants so unfortunately, we will not be accepting donations from local gardeners. We will have donations from Cayuga Landscape and Aurora Gardens for purchase.

## WELCOMING TWO SPECIAL NEW VENDORS TO THE 2022 MARKET!

### STAEHR FAMILY FARM/CAYUGA PUMPKIN BARN

[www.cayugapumpkinbarn.com](http://www.cayugapumpkinbarn.com)

It will be a first for the market to have a vendor selling chicken and turkey! What a great addition for the market's new year in 2022!

They will also sell eggs as well as lettuce, squash, eggplant, tomatoes, peppers, pumpkins, and popcorn!!!

In 2008 Ed and Rebecca Staehr started Cayuga Pumpkin Barn—a seasonal roadside produce stand featuring thousands of pumpkins! They offer farm-raised chicken year-round, and turkeys at Thanksgiving. They are owners and operators of Staehr Family Farm, where they grow corn, alfalfa, soybeans, and other field crops.

Their mission is to farm in a way that supports their family, while acting as stewards of the environment.

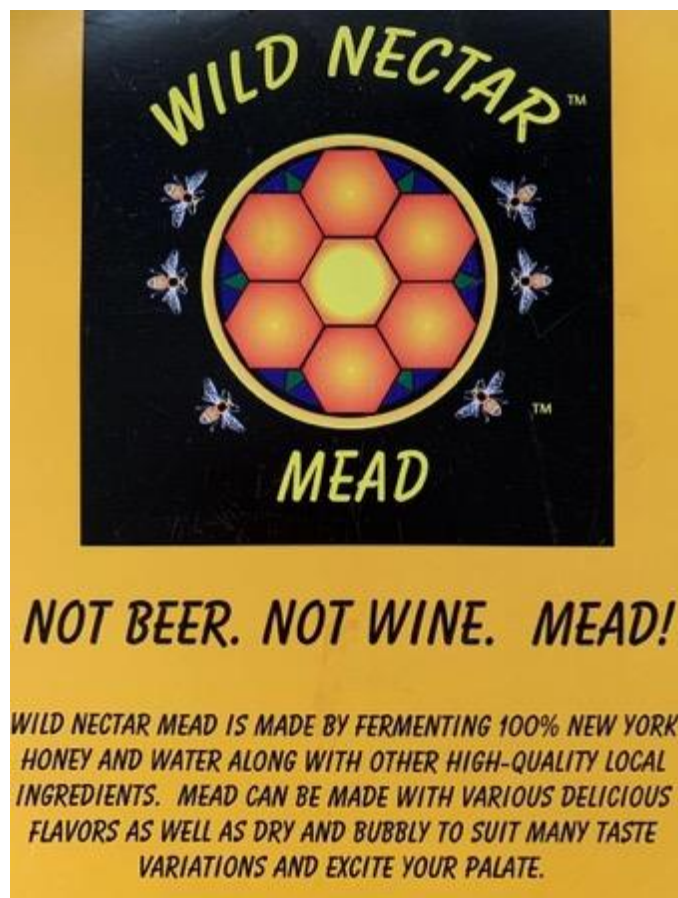

### WILD NECTAR MEAD

# San Pedro Sister Community Newsletter -- UPDATE

Issue#21a

MARCH 2022 UPDATE

## We are now a 501(c)3 Non-Profit Public Charity !!

All donations given directly to the San Pedro Sister Community as of February 14, 2022 are now tax deductible! Thank you for your support and generosity, in the past and as we move forward. Please contact us if you know of individuals or businesses who might be interested in making sizable donations or grants.

### WHAT WE DO

**Scholarship program:** K-6 education is provided in San Pedro, so we began by supporting students in 7th grade through HS with money for uniforms, supplies, and transportation. Fredis Argueta was the first child ever to attend high school in that community. As more education and student success became an example for others, we eventually were able to support students in university. 2021 was our first year to support seven students, all in university. The breadth and variety of majors, and the leadership shown by graduating and attending students has been so impressive! Beyond that, the students' response to the immense challenges posed by the COVID pandemic has been nothing short of spectacular.

**Artisan project:** This began with about 10 San Pedro families participating by crocheting purses in various styles and colors, or weaving big, beautiful hammocks. We pay them a fair price for their work and only add shipping costs and tax for the consumers. Getting shipments these past 2 years has been difficult with the travel restrictions, but we have managed with the help of the wider sister community network.

**Equal Exchange Sales:** As a way to keep the San Pedro project in the public eye, and to supplement donations, we began selling fair trade food items from *Equal Exchange* at Aurora farmers markets, the Friends Meeting House, and craft fairs as we are able. While this provides a small portion of our income, it takes much time and effort, and we welcome anyone who is willing to chip in some time on a Saturday or Tuesday!

**Annual Trip:** A part of this project that means the most to people in both our communities is the annual trip. We are welcomed with open arms and become part of their families for a few days a year, as well as meeting with the various committees to listen and set new directions for our relationship. We dance, sing, worship with them in their lay Catholicism, and eat simple, delicious food. When not in the San Pedro community, we tour interesting or beautiful parts of El Salvador or hear from experts on important issues – all under the watchful guidance and accompaniment of the folks at FUNDAHMER, a Salvadoran NGO, who also provide an interpreter. As the pandemic hopefully draws to a close, some of us are anxious to return soon and look forward to new conversations. We welcome fellow travelers, new and returning.

**Our Mission Statement:**

San Pedro Sister Community, Inc. works together with selected communities in El Salvador (e.g., San Pedro) to financially facilitate their goals for long term community improvement, and to provide regular contact and accompaniment through visits that promote bonds of knowledge, friendship, and strength. In addition, we strive to educate people of the Finger Lakes region of New York State in Central American issues and culture and about the joys and challenges of life in contemporary El Salvador through outreach, travel opportunities to El Salvador, and invitation for involvement in the San Pedro Sister Community.

**In Memorium  
Tomas Ortiz  
d. 3-7-22**

Don Tomas was a quiet but active part of the San Pedro community. Conversations with him revealed a man of strength, and his presence showed love for his family, his community, and his horse. Rest in peace, friend.

**Please donate to the San Pedro Project —  
Any amount you can give is welcome**

If you would like to support a student, you can:

**Sponsor a University Student for one year @ \$1800**  
**Sponsor Univ. for a quarter @ \$450**  
**Sponsor Univ. for a semester @ \$900**  
**Sponsor a Thesis year students for one year @ \$1200**  
**Sponsor Thesis for a quarter @ \$300**  
**Sponsor Thesis for a semester @ \$600**

Your donations help to support students, artisans, sewing projects, farming projects, and other needs.

Please send checks made out to **San Pedro Sister Community** to:  
Kay Burkett  
PO Box 343  
Aurora, NY 13026

Or use the donate button on our website to make an online donation: <https://sanpedrosistercommunity.blogspot.com/>

**Look for us at the Sat. Aurora Farmers Market, and the Tues. Patrick Tavern Market.**  
**Contact us if you would like us to present for your organization! [sanpedrosistercommunity@gmail.com](mailto:sanpedrosistercommunity@gmail.com)**

**2022 San Pedro Scholarship Budget**

5 University scholarship students @ \$1800 tuition	\$9000
1 University Thesis student @ \$1200	\$1200
Workshops	\$650
Internet costs	\$660
Community & Emergency activities	\$750
Transportation, follow-up meetings	\$2870
<b>2022 Scholarship costs</b>	<b>\$15,130</b>

We have paid \$9230 toward the scholarship program total as of 2-28-22. Additional SPSC costs will include Equal Exchange orders, IRS filing fees, NYS sales tax, printing, and accounting costs. We currently hold a bank balance of around \$4000.

## Wells College Book Arts Summer Institute

The Wells College Book Arts Summer Institute is back for 2022! We are pleased to announce that we will be holding in-person classes the weeks of July 10 and 17.

This year we will be bringing back a few favorite instructors, and a few new faces too. Week-long classes will be open to everyone from the total beginner to the experienced artist. Topics from hand bookbinding to letterpress printing and more will be taught at our exceptional book arts center on the picturesque Wells campus in Aurora, New York.

More details and registration at <https://wellsbookartscenter.org/>.

# Sustainability Perspectives

April 2022

All talks in this series take place on Mondays at 12:30PM.  
All presentations will be offered virtually via Zoom.

## April 11 *Merlin, eBird, and the power of the birding community*

**Cullen Hanks**, project team leader, MacCaulay Library, *Cornell Lab of Ornithology*

The Merlin Bird ID app is a stand-alone app built by the Cornell Lab of O to help people identify the birds around them. Merlin is also a critical part of the *eBird* information system that leverages hundreds of thousands of observers and cutting-edge techniques in machine learning to connect people with birds and power research and conservation efforts. Cullen will focus on the Lab's efforts to expand access to Merlin to communities around the world, and how this is connected to our understanding of bird populations both locally and globally.

Zoom #: 823 8406 2970 passcode: nJ\$Vj\*K0

## April 18 *Research Perspectives at the Intersections of Climate and Energy Justice*

**Daniel Carrión**, assistant professor, Environmental Health Sciences, *Yale School of Public Health*, and director of Education, *Yale Center on Climate Change and Health*

Energy is fundamental to human health, specifically the energy for cooking, heating during the winter, and cooling during the summer. However, historical choices for energy production are driving our climate crisis, with poor communities and communities of color bearing the brunt. This seminar will discuss research considering these intersections, specifically focused on energy poverty and energy insecurity. Zoom #: 882 1733 5869 passcode: ETf?9r\*B

Photo not supplied

## April 25 *Hazardous Waste Disposal Practices and Challenges*

**Glenn B. Kays**, account executive, *US Ecology*

We all generate relatively harmless waste materials that we send "away" at the end of their useful life, either into recycling processes or disposed of in landfills. But what about more problematic materials generated especially in businesses that require special handling during collection, packaging, transportation, and disposal to minimize any potential detrimental environmental and human impacts? What are some of these more hazardous waste products we don't think about and how is their disposal safely managed?

Zoom #: 896 6334 6802 passcode: HL@rg6DR

All *Sustainability Perspectives* series talks are free and open to the public.

## Sights of Southern Cayuga

Submitted by Linda Dugan

“It’s been a fun late winter/early spring watching migration patterns...It was amazing to watch the snow geese at the north end of the lake but I’ve been catching them in the early evening as they leave the lake and find fields to settle in for the night. I’ve also had a chance to catch the mute swan as well.”

## Learning by the Lake: Alex Riad '12

Wednesday, April 13  
7:30 p.m.  
Virtual on Zoom

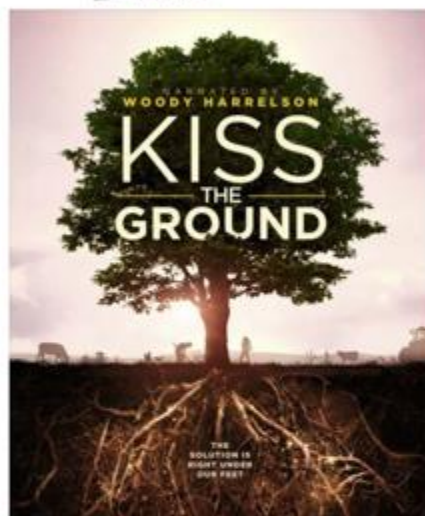

“Alex writes about millennials with a great understanding and appreciation of an inner need that isn’t always realized or apparent when discussed by other generations.” –Padraic Lillis

Our next Learning by the Lake features our Alex Riad '12 (legacy son of our Suzanne Doty '71!). Alex, 2022 Judith Champion Launch Commission award recipient, will talk about his experiences writing for theatre, film, and television.

Alex Riad is an Egyptian-American writer based in New York City. He’s a part of The Lark’s Middle Eastern Writers Lab, the Literary Fellow at The Farm Theater, a member of The Actor’s Studio Playwright Unit, and a 2019-2021 Lila Acheson Wallace American playwriting fellow at The Juilliard School. This inspiring and groundbreaking documentary film, narrated by and featuring Woody Harrelson, reveals a solution to our global climate crisis...and it's right under our feet. By regenerating the soil, we can completely and rapidly stabilize Earth's climate, restore lost ecosystems, and create abundant food supplies. Featuring the world's leading scientists, experts, farmers, and activists, NASA and NOAA footage, and real-world examples of regenerative agriculture, the film illustrates how the relatively simple solution of drawing down atmospheric carbon into the soil can solve humanity's greatest challenge...if we don't give up and we work together.

# *Around the World in 90 Minutes* with Marty Essen

**One of the most  
popular slide  
shows of all time!**

One part lecture, one part theater,  
one part slide show, one part  
comedy—it's the type of show  
where the audience has fun  
laughing at the stories, oohing  
and aahing at the photos, and  
then, when it's all done, they  
realize just how much they've  
learned.

Multi-award-winning author  
Marty Essen traveled all  
seven continents, looking for  
rare and interesting wildlife.  
**Around the World in 90

**Show your support and become a part of the creation of Howland Farm Museum by attending the first annual \$8,000 in April Fundraiser!!**

#### **Why \$8,000?? Why April??**

Augustus Howland purchased the entire farm property on April 2, 1832 and received \$8,000 from his father towards the total purchase price of \$9,808.70. The money raised through this event will go towards the costs of establishing the 501(c)(3) and a few projects focused on updating the storage of the current collections.

This year's fundraiser theme is "Goodbye Hollywood!" to celebrate my official exit from my previous, life-long career in the costume department of film and television production.

\*\*\*\*\* Walk around the grounds and learn about Howland Farm Museum's mission, vision, timeline, imminent public opening, and other exciting details of this new community centered, educational organization!

\*\*\*\*\* Check out the exhibit: "Wardrobe Supervisor: Behind the Scenes," located on the first floor of the Main House, displaying clothing & costumes worn by famous movie stars and other props and paraphernalia related to the production process!!

\*\*\*\*\* Have fun taking photos of you and your party at the "red carpet" photo op display!

\*\*\*\*\* Enjoy a fresh popped popcorn station, refreshments, and one free glass of wine with your drink ticket!

\*\*\*\*\* Mingle and groove to live music by Sue Alexander and Bob Nodzo and play the "Guess the Movie Soundtrack" game!

Dress code is anything Hollywood related! Red carpet glamor, Hollywood Golden Age glamor, your favorite show / movie character, or pick a crew member to imitate: grip, electrician, director, teamster, makeup etc. (Keep in mind that this event is mostly outdoors, so you will need appropriate footwear and outerwear to coordinate depending on the weather...)

**Tickets are \$50.00 per person and can be purchased in several different ways, contact me at [jodibaldwin@gmail.com](mailto:jodibaldwin@gmail.com) to do so! The first 20 people to purchase \$50.00 tickets will receive a hand-made thank you ornament!**

## **Richie (Stearns) and Rosie (Newton)**

**Saturday, April 30**

**7:30 p.m.**

**Morgan Opera House**

We are delighted to welcome people for a concert again!—and delighted finally to be able to present this lovely duo from not far away (Trumansburg). Richie has been well known for years, as a banjo-playing and singing, founding member of the Horse Flies and Donna the Buffalo and collaborator with many other artists, from Pete Seeger and Joan Baez to Billy Bragg & Wilco, David Byrne and Natalie Merchant. Rosie has been increasingly widely recognized as a fiddler, singer, and accordion player since her appearance at the Opera House some years ago with her duo, the Pearly Snaps. Many of Richie and Rosie's lovely and heart-felt performances of old-time music are available in online videos.

We hope to see you there! Suggested donation is \$10.

## The THIRD Annual Women's Suffrage Celebratory March & Tea Party

**Mother's Day Weekend, Saturday, May 7**

**2:00-5:00 p.m.**

**Howland Farm Museum and Opendore**

This is a super unique and fun way for mothers and daughters (and sons and fathers) to spend the day and celebrate women's suffrage!

The March portion is FREE and begins at Howland Farm Museum shortly after 2:00 (arrive early to park). We will walk one mile along a country road up to the Sherwood Equal Rights Historic District. There, we will visit Howland Stone Store Museum where their amazing volunteers transport us to the frontlines of the suffrage movement with exciting readings from their collections (which they select each year)! Following the performance, you can tour Opendore, which had its Grand Opening just last summer.

At 3:30, we will walk back to Howland Farm Museum and, for those who have made reservations, enjoy high tea, cucumber sandwiches, and dessert at 4:00.

NEW this year: the Tea Party portion is now \$5.00 and requires reservations to ensure accurate food prep.

People are encouraged to wear whites and creams as the suffragists did, or yellow or purples. Dressing in any type of historic or creative costume is always applauded! Make sashes, bring noise makers, whatever inspires you!

Message me at [jodibaldwin@gmail.com](mailto:jodibaldwin@gmail.com) to purchase your Tea ticket and Fundraiser ticket!!
