

# **MORGAN OPERA HOUSE**

Report to AFL July 17, 2025

MOH Committee met 7/5 to review the season to date and plan for future events.

- 1 Highlights of June were “Hamlet” a totally student produced production. 120+ people in the audience each night. Only problem was with the stair chair required an emergency repair.
- 2 Aurorafest Committee organized a showing of “The Legend of Firefly Marsh” as a kick off event for Saturday’s festivities. They were able to get Gabe Torres to greet the audience and do a Q&A following the movie. About 50 people attended.
