NEWS FROM THE LIBRARY

What an amazing time of year to live in our community. There have been so many wonderful events and beautiful (and hot) days this summer. August once again will bring a wonderful array of events including the Annual Teddy Bears' Picnic on August 9 and an Enchanted Festival on August 23 which is a new event that the Library and Aurora Farmers' Market are putting together. More details are in this edition of *The Hub*, but please stop by the library if you have any questions.

- July was very busy at the library and this month although we have fewer events we will still have in-house art activities out supporting our Color Our World Summer Reading Theme and there are Ice Cream Cone Drawings to enter weekly thanks to Cream at the Top. When you read this summer there are also drawings for prizes for all ages. Stop by or look on our website for more information.
- Thank you to everyone who supported or volunteered at our Route 90 Book Sale. It was another great success! Our next and largest fundraiser will be our Book Lovers' Ball on October 3. We hope to see you there for the food, dancing, and silent auction.
- With so much going on at the library we are always looking for volunteers. Please reach out if you would like to help with projects at the library or fundraising. We would love to have you! If you are interested, please email Library Director Sandy Groth at aurorafreelibrarycny@gmail.com or ask next time you visit.
- Check www.aurorafreelibrary.org and [Facebook](#) for up-to-date information. Library hours are Monday and Friday 3-7 p.m., Wednesday 10 a.m.–6 p.m., and Saturday 10 a.m.-2 p.m.
- The library has been a great place to get cool in our air conditioning this summer both on our first floor and in our upstairs Morgan Opera House. Looking for a summer outing? Remember that we also have NYS

Park Passes, Rosamond Gifford Zoo Passes (good for the whole family) and Sciencenter Passes for the whole family to have a fun day out.

There is still plenty of summer ahead and we look forward to seeing you soon! STAY COOL!

Parking pass must be adhered to driver's side rear window.

Questions? Call 315-364-5707 or email TownofLedyard@outlook.com.

Office hours: 9 a.m. to noon - Tuesday, Thursday, and Saturday

Helping to Make a Difference - King Ferry Food Pantry Volunteers

Twice a month, we make our way to Southern Cayuga High School to help stock the King Ferry Food Pantry. The pantry is open to anyone living in our school district who may be in need of food assistance. Working (and laughing) alongside other area residents, we organize donations made by residents and businesses, in addition to the items purchased from the Food Bank of CNY or local retailers. Items are checked for safety and best-by dates, then sorted onto shelves for easy distribution on the drive-through mornings.

In addition to stocking shelves for neighbors in need, the food pantry volunteers work to set aside items for the Backpack Program in the school. Some students at Southern Cayuga are provided with food to take home. The program aims to address food insecurity and ensure students in need have access to meals, especially during weekends or when school is closed.

We started volunteering with the King Ferry Food Pantry about a decade ago and enjoy the camaraderie with other volunteers and the good feeling we get knowing we are helping others in our community, even in a simple supporting role.

New volunteers are always welcome to join the team. We thank Debbie Patrick, the pantry Director, as well as the Board of Directors who continuously support the volunteers.

Jeri Vargo and Anne Brodie

Looking for a meaningful way to give back to your community?

Whether you have a few hours a month or time to help regularly, there are many ways to get involved, including:

- Picking up and transporting food purchases
- Unloading deliveries and stocking shelves
- Filling client orders and loading cars
- Representing the Pantry at local community events
- Serving on committees or the Board of Directors

Volunteering is a great way to meet neighbors, support families in need, and be a vital part of making our community stronger. Your time and energy can make a real difference. To learn more or get involved, contact Carin Kopp at kingferryfoodpantry2@gmail.com, or download a volunteer application from our website.

Together, we're helping to nourish our community - one family at a time.

THE HUB 6

Updates from the Howland Stone Store Museum and Opendore

As July comes to a close, those of us at the HSSM and Opendore have celebrated the opening of two new exhibits for the 2025 season. Our plate exhibit has been a great success and the Slocum Howland Exhibit has captured the interest of all who celebrate Sherwood, NY's history.

But moving ahead, on August 24 @ 4 p.m., we welcome Derrick Pratt, the Director of Education & Public Programming at the Erie Canal Museum. He will present a program entitled "Pathways to Resistance." As a background, the Erie Canal Museum is located in Syracuse, NY and presents the story of the Erie Canal's impacts on peoples and places throughout its history right up to the present. This will be a captivating presentation and we hope you'll join us. Additional details will be forthcoming on the HSSM website.

Behind the scenes:

- Work continues on the plan for the addition of the Hazard Library onto Opendore.
 - Plans for the drainage and landscape project are continuing.
- The new Howland Family Tree is being finalized and will be ready for printing soon.

And finally, as always, Opendore is available to the community for meetings and private tours. To schedule, please call the Howland Stone Store at 315-303-2145, email at hssmsherwood@gmail.com, or write at Box 124, Aurora, NY 13026.

Tennis and Pickleball at Wells College Golf Club

The community is invited to use the Wells courts. Purchase a day pass (\$5) or season pass (\$25) at the Golf Course Clubhouse.

Group Play Schedule (all levels welcome)

Sunday – 5 p.m.

Tuesday – 9 a.m.

Wednesday – 5 p.m.

Friday – 9 a.m.

YOUR COMMUNITY NEEDS YOU

Our landscape will soon change forever -- unless we act NOW!

Industrial wind turbines are coming to the towns of Scipio and Venice and will forever impact the way we see our community. Liberty Renewable's Agricola project will place 24 wind turbines, **each 650 feet tall**, across our rural landscape - negatively affecting our scenic views, property values, roads, ecosystem, and potentially our health.

We urgently need your help to stop this project!

The Office of Renewable Energy Siting (ORES) is holding an **open public hearing on Wednesday, August 6th at 6pm** where you can voice your opposition. Whatever your concerns - economic or environmental, health or quality of life - now is your last chance to be heard.

Please help us prevent this view from becoming your reality.

Comments will be limited to three minutes and are intended to help the judges understand project-specific concerns and impacts to local communities..

Written comments may be submitted until 5pm on August 8th at <https://dps.ny.gov/ores>. Click ORES Permit Applications --> Project Permit Application 23-03002 --> Post Comments. Comments may also be emailed to ores.comments@dps.nylgov.

Please join us on August 6th at the Hilton Garden in Auburn for this Public Comment Hearing regarding the Agricola Wind Project. **Tailgating begins at 4:30 with a free pizza slice for the first 200 people.** *Public comments begin at 6:00pm and end when the last person is heard.*

For more information and more ways you can be involved, please visit us on Facebook or at: **www.AllianceToPreserveTheFingerLakes.com**

SALT POINT SPEAKER SERIES

Ospreys Abound: Safer Habitats/Reliable Electricity

Presented by Rosanna Hyde and Paul Paradine

Thursday, August 7, 2025 7 – 8:15 p.m.

Location: Lansing Town Hall, 29 Auburn Rd, Lansing, NY 14882

Free and open to the public

Description: This talk will focus on the Osprey Outage Mitigation Program, which aims to provide safe nesting sites for osprey while increasing service reliability for electric customers throughout New York State. The program proactively installs nest boxes and fiberglass risers on utility poles and relocates new nests from hazardous locations on electric wires to safer boxes during the designated off-season. Osprey, a magnificent species cherished by the birding community throughout New York State, benefit greatly from this initiative.

Presenters:

	<p>Rosanna Hyde, Avangrid Rotational Graduate</p> <p>After completing three summer internships with the RG&E and NYSEG Vegetation Management Team, Rosanna joined Avangrid full-time in August 2024 as part of the Rotational Graduate Program. One of her notable ongoing projects is the Osprey Outage Mitigation Program which she has further developed and formalized during her tenure. Rosanna has arranged conservation learning opportunities for students in the Finger Lake Region, is working toward her Pollinator Steward Certification, and is excited to continue learning and innovating for conservation in the future.</p>
	<p>Paul Paradine, Manager of RG&E and NYSEG Vegetation Management</p> <p>Paul founded the Osprey Outage Mitigation Program in 2009 to provide safe nesting platforms for Ospreys, significantly boosting their population in the region. His initiative has led to nearly 200 managed nests, helping to ensure the species' recovery. As a Master Naturalist and Master Gardener, Paul actively contributes to various environmental committees and projects, enhancing local greenspaces and wildlife habitats. He has created pollinator gardens, installed bat boxes, and supported habitat-improvement projects, making a long-lasting impact on Ithaca's environment and community.</p>

Salt Point is managed by the Friends of Salt Point Ltd., a 501(c)(3) organization, in cooperation with the Town of Lansing Parks and Recreation Department. For more information, visit www.saltpointlansing.org
